

**Illinois Department of Public Health**  
**Intent to Present Technical Evidence about a Petition Being Reviewed**

Persons wishing to present technical evidence about a petition being reviewed are required to file a statement of intent with the Department in writing no later than 15 days prior to the date of the hearing. **Statements of Intent to Present Technical Evidence must be postmarked by April 18, 2015.** One statement of intent to present is required for each speaker. Organizations are encouraged to select one speaker to represent the group. Incomplete statements shall not be accepted. The statement of intent to present technical evidence shall include:

- 1. Name of the person filing the statement and organization represented (if any).**
- 2. For which petition for a debilitating condition do you wish to present technical evidence?**
- 3. Do you support or oppose the petition at issue.**
- 4. Indicate the approximate amount of time needed to present (limit to no more than 3 minutes).**
- 5. List of exhibits, if any, to be offered into evidence at the hearing.**
- 6. Provide a summary or outline of the anticipated testimony you will provide at the hearing.**

Mail the statement of intent to Division of Medical Cannabis, Illinois Department of Public Health, 535 W. Jefferson Street; Springfield, IL 62761-0001.
